HISTORY ABOUT BARTLETT

Do you sometimes have the feeling that you're running into the same obstacles over and over again? Many of my conflicts have the same feel to them, like "Hey, I think I've been here before," but I can't figure out how I wound up in the same place.

The situation is different, but the conflict feels the same. I first read this poem in "The Tibetan Book of Living and Dying" by Sogyal Rinpoche. When I "Googled" it, I found fourteen pages of links. It's clearly a favorite with many people; I know it speaks volumes to me. "Autobiography in Five Chapters"
